Howick, Auckland

Thank you for your ongoing support of Crawford Medical. It is our pleasure to take care of your Health and Wellbeing

A Warm Welcome To Our New General Practitioners

Dr Shirley Ren (MBBS, BA)

ACCEPTING NEW PATIENTS

Dr Shirley Ren grew up in Auckland and completed her medical degree in Brisbane. She has subsequently worked across the Auckland region hospitals for 5 years and has worked as a clinical researcher. She speaks a bit of conversational mandarin.

Dr Stijn Hoogwout (BSC, MSC)

ACCEPTING NEW PATIENTS

Dr Stijn Hoogwout completed his medical degree and training in the Netherlands. He has worked across multiple departments in hospitals and as a GP. He moved to New Zealand in September 2022. He is fluent in both English and Dutch.

Dr Nick Koch (BSC, MSC)

ACCEPTING NEW PATIENTS

Dr Nick Koch completed his medical degree and training in the Netherlands. He originally worked in the Surgical department, then moved into GP practice. He is fluent in English and Dutch. He has elementary level French and German.

Manage My Health Portal

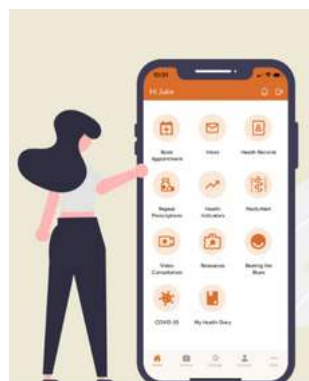

Manage My Health – the freedom to manage your health at home.

If you are enrolled with Crawford Medical Centre, you can manage your own health via the app ManageMyHealth.

- Book appointments
- Access lab results
- View immunisation records
- Order repeat prescriptions
- Access and maintain your Medic Alert profile
- Receive appointment reminders – managed in a health calendar
- Access is 24/7

How to Register:

Registering for ManageMyHealth is simple, just ask one of our friendly receptionists, or talk with your doctor or nurse.

Free Immunisations

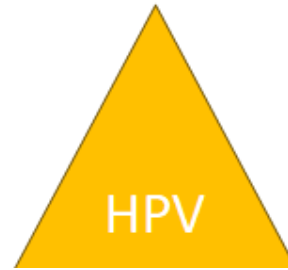

Please contact us on 09 538 0083 to speak to one of our nurses for more information, or visit the links below

Influenza vaccine

<https://healthify.nz/medicines-a-z/i/influenza-vaccine-topics/>

Flu for tamariki age 6 months to 12 years and over 65 years

HPV vaccine | HPV vaccine

<https://healthify.nz/medicines-a-z/h/hpv-vaccine/>

HPV (Gardasil 9) funded for children/adults aged 9 – 26 years.

Meningococcal B
(Bexsero) and
ACYW (Menactra)

Meningococcal vaccine

<https://healthify.nz/medicines-a-z/m/meningococcal-vaccine/>

Meningococcal B and ACYW vaccines are available to those aged 13 – 25 years who are in their first year of living in (or within 3 months of shifting into) 'specified close living situations'. Such as youth justice facilities, boarding school hostel, tertiary education halls of residence, military barrack or prison.

Meningococcal B (Bexsero) is available now to those children who were under 5 years old, on the 1st March 2023 and children between 3-12 months, until 31 August 2025.

Measles, Mumps
and Rubella

Measles, Mumps and Rubella (MMR) vaccine

<https://healthify.nz/medicines-a-z/m/measles-mumps-and-rubella-mmr-vaccine/>

MMR (Measles Mumps and Rubella) given as routine, aged 12 and 15 months.

Individuals who are susceptible and born prior to 1969 can be considered for the vaccine.

Crawford Specialists Centre (CSC)

We are thrilled to welcome new clinicians to our team

Joy Chiang

Joy is a registered nurse with experience in ENT. She has completed her training as an Ear Nurse with our Crawford Specialist Centre team.

Reminders and Updates

We remind you to schedule your ear health and skin health checkup early, if you have not done so already, due to increasing demand. Our current waiting time is 2-3 weeks.

Thank you for being a valued patient at Crawford Specialist Centre. We are committed to providing you with high-quality healthcare services and exceptional patient care.

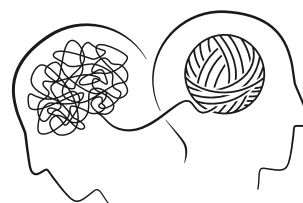

The Ear Place
(09) 5380134 or
