2024 is finally here & it is our pleasure to take care of your Health and Wellbeing.

Welcome

Dr. Olivia Lodeizen

Accepting New Patients

A Warm Welcome To Our New General Practitioner

Dr Olivia Lodeizen (BSC, MSC) completed her medical degree and training in the Netherlands. She is a GP with experience in surgery, cardiology and geriatrics, to name a few. She is fluent in Dutch and English, with limited proficiency in French.

manage my health

The freedom to manage your health at home.

If you are enrolled with Crawford Medical Centre, you can manage your own health via the App. You can book appointments, access lab results, view immunisation records, order repeat prescriptions & many more...

How to Register:

Registering for ManageMyHealth is simple, just ask one of our friendly receptionists, or talk with your doctor or nurse.

Mobile App:

- You can attach any of your handy medical documents under **Health Documents**.
- My Health Diary** - Monitor how you feel each day and if you wish you can share it with your GP.
- Under **Resources** - Find healthy information at your fingertips, anytime, anywhere.

Via a laptop/PC you can access additional features

- On your menu under **Health Tools** you can access the above resources and track your progress
- Have a question about MMH? Ask the **Chatbot**, 24/7, on the bottom right hand corner of you PC screen

From Feb-Apr 2024:
